

50-50 Raffle

Buy a 50-50 raffle ticket for \$2. \$1 goes to raise money for the event. \$1 goes into a pot.

All ticket stubs sold for the month are placed in the pot from which one lucky number is drawn.

The 'take' is tallied and one-half of the total money raised each month is awarded to the holder of the lucky number.

Example: We raised \$280 in the first month. The winner of the 50-50 for that month was mailed a check for \$140.

The winner will be announced at the end of every month on www.thesizzlinstomp.com. The winner will receive a check in the mail just days after the monthly drawing.
